IN THE HONEYMOON.

It seems so strange to carve for two, to ask
her
What part of chicken I shall send to her,
and see
The pretty blush behind her heavy castor.
While she puts cream and too much sugar
in my tea.
We're reading "Maud;" Browning it seems
is stupid.
Our tastes are different as two different
tastes could be.
Proctor she likes—a sort of fearful Cupid—
And "The Duchess" heroes remind her so of
me!

She doesn't sit at the desk to write a letter.
But stoops down, some way, to a book upon
her knee.
I hide behind my paper here, the better
To watch those fingers darning stockings,
and for me!

The meerschaum that stood first in my affec-
tions.
Lies on the shelf; smoke is injurious, you
see.
She's looking up her cooking school direc-
tions.
And, oh, what funny dishes she concocts for
me!

My handkerchiefs are always ready scented.
My cuffs and collars always laid out tidily.
I wonder if one could be too contented.
Just as my wife puts too much sugar in my
tea.

KELLY ARCADE STARKEY & SCOTCHDEN. KELLY ARCADE

QUARTO-CENTENNIAL CELEBRATION.

Wilberforce University to Celebrate the
Twenty-Fifth Year of Its Existence on
the 21st and 22nd of Next June—A Mag-
nificent Programme Proposed.

The quarto-centennial anniversary of
Wilberforce university, which is located at
Tawawa Springs, four miles northeast of
Xenia, and of which Rev. S. T. Mitchell,
formerly of this city, is president, is to be
celebrated this year in a manner that will
occupy any previous event in the history of
the university.

Wilberforce is one of the few great edu-
cational institutions in the United States
for colored students. Its course of train-
ing in all branches of regular collegiate
work is very thorough, and it has probably
the best theological department for colored
students in the country.

The twenty-fifth anniversary of the in-
stitution will be held on the 21st and 22nd
of June, this year. It is desired to raise a
fund to defray the necessary expenses of
the celebration, and to that end President
Mitchell has issued a letter to the friends
of the university requesting contributions.

In the letter he says:
"Whatever is contributed will yield a
triple benefit. Student labor will be em-
ployed as far as practicable. A number of
poor and deserving ones will obtain some
relief. Their tuition, in turn, will proportion-
ately assist in paying teachers. Thus the
ten or twenty, or even fifty, dollars given
for necessary improvement, will re-
ceive at least two additional values. We
are bound by honor to a prudent expendi-
ture of all assistance rendered."
The programme proposed for the two
days' celebration is a really magnificent one
and although it is subject to changes it will
probably be rendered as follows:

Thursday, June 21, 10 a. m.

2:30 p. m.—Inauguration. Commencement exercises
at Rev. A. W. Wayman, Baltimore
University, president of the university.

Presentation. Rev. J. J. Jenifer, Boston

cated?" Rev. J. G. Mitchell, D. D.,

court yesterday afternoon on the charge of
burglary, and was bound over to the com-
mon pleas court in the sum of \$400.

Nothing further is known of the where-

abouts of Dave Capps, the bolting fireman.
He has settled all his claims in this city,
and is under no further obligations here.
It is surprising that he should have fled, as
he was very much attached to his position
as fireman. It is now supposed that a girl
had something to do with his flight.

congratulate our young friend upon his
success and wish him a prosperous life in
his chosen profession.

Rev. C. J. Burkert left on Wednesday
for Mount Arch, Brown county, Ohio, to
assist Rev. F. H. Bohn in his protracted
meetings, in exchange for Rev. Bohn's help
here a few weeks since. He will be away
a week or more.

We understand that a building has been
put up opposite the Esig property to be
used for a dancing and drinking hall. The
devil ought to have a few more institutions
here to ruin our young people and work
against the influence of the church.

Rev. William A. Shuey, of Dayton, who
is well known here, and whom we reported
some time ago as afflicted in body and
mind, has grown worse, and has lost his
mind and has been placed in the insane asy-
lum at Dayton. The cause of his affliction
is this: A few years ago he hired a horse
to ride from a livery stable in Dayton. The
horse proved to be a wild one, and ran
away with Mr. Shuey, throwing him off
onto his head, producing injuries from
which he never fully recovered, and which
have finally resulted as above stated. The
case is a sad one, as Mr. Shuey was highly
educated, had prepared himself for the
ministry and was admitted to the Miami
conference of the United Brethren denom-
ination.

For several years the Lagonda U. B.
church has been struggling under a load of
debt contracted a few years since by re-
building the church. The official board has
pressed with it as best they could during
this time, and now a number of the younger
men have concluded to undertake the
payment of the debt, and assist the board
in their labors. On Tuesday evening last
a public meeting was held at the church, and
a society formed under the name of the
Lagonda U. B. Church Collection organiza-
tion, with the following officers: President,
Joshua Wells; vice president, Andrew C.
Miller; secretary, Philip Hays; treasurer,
B. F. Brubaker; and a board of trustees or
collectors not yet appointed in full. A
subscription was taken amounting to about
\$500, which will be materially increased by
future efforts of the collectors. Other plans
were devised for raising money, and we
begin to think we see light ahead.
